At Aquarino, we pride ourselves on having the highest manufacturing standards, experienced pool installation teams, outstanding colour variety, industry-leading customer service, best in class fiberglass pools and our Aquarino Xclusive Protection Warranty (the "Warranty").

### 1. WARRANTY TERMS

This document contains the terms and conditions of Aquarino's Xclusive Protection Warranty, covering your Fiberglass Pool's structure and gel coat. Read it carefully, as there are important warranty conditions, limitations, and exclusions from coverage.

Your contractor is not an employee or representative of Aquarino. Aquarino is not bound by any guarantees, warranties or representations, or any change to this Warranty made by your contractor, installer or any other person who is not an authorized corporate officer of Aquarino.

The manufacturer's warranty on the Fiberglass Pool's equipment (filter, pump, heat pump, etc.) is offered by the respective manufacturers (example Hayward®, Pentair® etc.) and Aquarino does not provide any warranty coverage on such equipment.

### 2. WARRANTY CONDITIONS

This Warranty is applicable to Fiberglass Pools installed within Canada and the continental United States on or after April 1st, 2023. Aquarino reserves the right to change the terms of this Warranty at any time. The Warranty terms in effect at the time of installation of your Fiberglass Pool will constitute the Warranty that is applicable to you. The most current version of this Warranty is available online at [www.Aquarino.ca](http://www.Aquarino.ca). If you have questions about coverage, contact Aquarino directly for assistance.

#### **Warranty Registration**

This Warranty is only valid if you register your purchase online at [Aquarino.ca](http://Aquarino.ca) within thirty (30) days of installation of your Fiberglass Pool. A proof of purchase and an image/photo of the project are required for registration. This Warranty is not applicable as long as the owner has any outstanding amounts due to Aquarino.

#### **Warranty Transfer**

The original owner may transfer this Warranty to the individual purchasing the property on which the Fiberglass Pool was installed (the "Transferee"), in accordance with the terms set out in this section. In the absence of a permissible and valid transfer of the Warranty as set out herein, the Warranty ends on the sale or other transfer of title to the Fiberglass Pool.

This Warranty may be transferred once (one-time transfer) to the purchaser of the property where the Fiberglass Pool has been installed. To validate the transfer of the Warranty from the Owner to a Transferee during the Product Lifetime, the Transferee must register their transfer
